Scheme for formation of Energy Efficiency and Renewable Energy Clubs in recognized Schools in NCT of Delhi

With a view to encourage future generations to become aware about measures on Energy Efficiency and Renewable Energy and to improve Power situation in Delhi, it has been decided to form **Energy Efficiency and Renewable Energy (EE& RE) Clubs** in Schools. The **EE& RE Clubs** would provide an opportunity to both students and teachers to undertake part in **State-level activities** including Essay, Painting, Debate, Demonstration projects etc. to be coordinated by the EE&REM Centre.

All recognized schools in NCT of Delhi are eligible for enrolment. Modalities including guidelines and nomination form are available at the website www.delhitransco.gov.in/ .
