Sub : Recruitment of persons under various posts in Maharashtra
Electricity Regulatory Commission.

Sir,

With the enactment of the Electricity Act, 2003, the functions of the Maharashtra Electricity Regulatory Commission (MERC) has increased manifold with regard to tariff regulation, licensing, market development and monitoring, promotion of renewable energy, demand side management, implementation of open access to transmission and distribution etc. To cope up with the increase in the activities of the Commission, the Government of Maharashtra has recently sanctioned 39 additional posts under various categories.

To fill up these posts, the Commission has advertised in leading news papers in English and Marathi inviting applications for these posts. The Commission is in need of persons with experience in power sector utilities under Government of India and State Governments including Electricity Regulatory Commissions. Therefore, I am directed to forward
